1. Purpose

1.1. This policy defines the essential rules regarding password and access management of all systems and services at the Vermont State Colleges.

2. Scope

2.1.

3.3. Access Requests

Access requests for all systems must be documented and made available upon request.

Access requests must be requested or approved by a source of authority. These include the Chancellor, CIOs, CTOs, Presidents, Academic Deans, and some Managers. If approval is not provided upon request, the request may be returned i

3.3. Access Requests
