

VSC CRISIS MANAGEMENT TEAMS
Revised February 2021

Purpose:

Crisis management teams are established to respond immediately and comprehensively to crises that have the potential to significantly harm VSC institutions, employees or students. Teams will establish processes to identify, contain, limit, and remediate incidents with the overall goal of reducing a broad range of risks, including hazard risks, operational risks, financial risks, strategic risks, compliance risks and reputation risks. Some types of risk will have specific incident response policies (e.g., see VSC Data Security Incident Response Policy).

Teams:

Vermont State Colleges

Sophie Zdatny, Chancellor

Sharron Scott, Chief Financial & Operating Officer

Yasmine Ziesler, Chief Academic Officer

Patty Turley, General Counsel
